Wednesday 10th January 2024

Dear Families

Next week to kick the new year off to a great start we are going to have focussed 'Green Week' where we are extra mindful of ways we can support the environment. The ECO council have suggested the following ways we can all contribute:

Monday	Meat Free Monday –if you can, enjoy plant based foods all day to help reduce the Carbon footprint!
Tuesday	ECO Council will run some stalls in Bright Sparks in the afternoon to show how to recycle T Shirts and Milk Cartons. If anyone would like to join in please bring in an old T Shirt to cut up and a large empty milk carton. 
Wednesday	We encourage you all to walk to school if you can or car share with a friend to reduce emission on the roads.
Thursday	We are hoping to have an Assembly by Ocean Generation and the ECO Council.
Friday	Recycle Day – send in old clothes and bedding (the large box in the school foyer) and used batteries (take to classrooms for the ECO Council to collect)

Anyone who takes part in any of the suggestions will receive reward sticker in assembly from the ECO Council.

Please send a Dojo to Mrs Hall with a photograph if your child has taken part!

I look forward to enjoying our Green Week with you all!

Best wishes

Mrs Roper, Mrs Hall and the ECO Council
