

## INSIDE ACTIVITIES

The children can request activities and if it is possible to do them then we will.

We bake, sometimes a number of times a week.

There are always colourings to do and drawing paper.

We do many craft activities individually and in a group.

When snack is over and the children have had a run round either outside or in the hall they can have the Ipad's out.

Homework can be done if needed and we will always help if necessary.

If someone wants to have a quiet minute and relax then they can.

## OUTSIDE FACILITIES

At Parklee School there are lots of outdoor areas that Bright Sparks can make use of.

There is the new all-weather pitch on the lower playground.

The adventure playground round the back of the school is a favourite with all ages. This too has an all-weather flooring.

The lower playground also has a climbing wall and games painted onto the tarmac.

# Bright Sparks

BEFORE AND AFTER SCHOOL CARE

Bright Sparks children all working together to make things with cardboard boxes. Fun was had by all. All the children could use, were boxes and masking tape. They can't wait until they do it again.

At Bright Sparks we want to provide a safe and caring environment for your children. We only have Parklee children and most of our staff work at Parklee as well, this means we know your children and your children know us before they even come to Bright Sparks.

## Our Parents Say

Our daughter loves Bright

It's so flexible, I think it's brilliant.

I would recommend Bright Sparks to any parents needing good quality

It's very flexible you can just ring them on the day.

I would highly recommend Bright Sparks, it's FAB!

You know they will be well looked

My daughter thoroughly enjoys coming to Bright Sparks

Staff are fantastic and really entertain the children

Bright Sparks caters for all ages and there's always plenty to do.
